

MOKENA VOLUNTEER Fire department was host last Sunday to neighboring departments in a big parade to mark Fire Prevention Week. A dozen departments turned out for the affair.

Parades Climax Fire Prevention Observance

An hour-long parade of fire rigs, bands, floats and marchers climaxed Fire Prevention Week observance at Mokena last Sunday afternoon.

Following the parade there was a waterball contest in which the Mokena No. 1 and No. 2 teams finished in that order with third place going to Chicago Ridge.

Frankfort's department was awarded the prize for showing the oldest piece of apparatus still in active service while East Joliet won the prize for the newest.

The Mokena Lions had the best float in the parade, the judges decided, and the Lincoln-Way High School band was declared to be the best marching unit.

The Mokena and Frankfort grade school bands also marched as did Veterans of Foreign Wars and American Legion units and the Trikenia Girl Scouts.

Neighboring fire departments represented in the parade included Frankfort, New Lenox, Tinley Park, Matteson, Homewood Acres, Northwest Homer, Lockport, Lewis College, Lemont, Manhattan, East Joliet and Chicago Ridge.

The Orland Park department was not represented because it was host to a group of departments that paraded at Orland the same date.

Judges for the Mokena parade were Paul Boecker, Naperville; Lawrence Morris, Chicago, state fire mar-

shal's office and Deputy State Fire Marshal Arthur Weber, of Joliet.

Mokena Will Have Pick-Up Day Oct. 17

Junk pick-up day in Mokena will be next Tuesday, Oct. 17.

The village board has arranged with the garbage removal firm to pick up all articles left at the curb next Tuesday morning. Persons with a raft of small items will have to enclose them in a carton, however, if they want them picked up.

This is a good opportunity to get rid of old stoves, refrigerators, hot water tanks, etc. -- and for free too. Best bet is to set the stuff out Monday night.

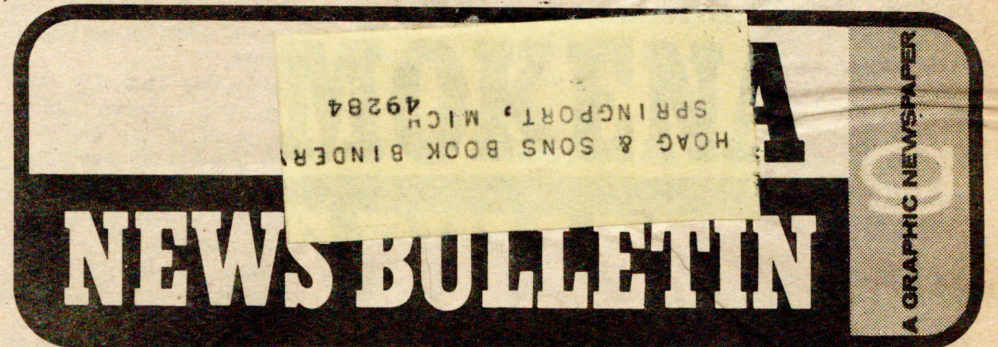

Burglars Hit Restaurant

Hungry and thirsty burglars broke into Arch Inn at U.S. 30 and Harlem Av. last Sunday night and made off with liquor and foodstuffs, including about 20 pounds of steak, valued at approximately \$300.

Frankfort Church Marks 100th Year This Month

The 100th Anniversary of St. Peter's United Church of Christ is being celebrated during October with a reunion that began on Oct. 8. A former pastor, the Rev. Erich Bizer of Quincy, occupied the pulpit for the first Sunday. "Sister Church Sunday" at 10:30 a.m., Oct. 15, will be conducted by the Rev. Harold Dobstaff, assistant to Rev. James Smucker, north assoc. minister, United Church of Christ, Chicago. Dr. William Rest, Illinois Conference minister, will preside at the 2 p.m. service at which sister churches will be guests. Dr. Smucker will also officiate at the dedication of the new educational wing at 2 p.m., Sunday, Oct. 22.

The final Centennial service at 10:30 a.m., Oct. 29, will be conducted by the Rev. Robert Klepper, pastor of St. Mark United Church of Christ, Chicago Heights. The Rev. is a native of Frankfort.

Organized as St. Peter's Deutsche Evangelische Gemeinde in Frankfort Station, Oct. 28, 1867, the present church is celebrating its centennial under the pastorate of the Rev. LaVern Smith.

One of the early events in the church history was the formation of "Der Frauen Verein" in 1875. Now the Women's Fellowship, it is one of the most active organizations in the church. During the tenure of the Rev. Mr. Lambrecht, who served the longest period, 37 years, a new church was built at a cost of \$16,000. A farewell service was held in the old church on Feb. 6, 1916, by Pastor Lambrecht who continued to serve until his death Christ-

mas Day of 1925. It was during that time that membership grew from 35 to 180 families, and English services were alternated with German.

The first pipe organ was installed in 1923 at the cost of \$4,300.

In 1924 St. Peter's Church in Green Garden discontinued its services and the small congregation merged with the Frankfort church.

With the arrival of Pastor Gerhold, a new parsonage was built in 1926 at a cost of \$14,500. The Brotherhood, organized in 1917 by

Pastor Lambrecht, became the Men's Bible Class, and an athletic association was formed.

To mark the church's 75th Anniversary, the sanctuary was remodeled and redecorated and new hymnals were purchased. During the church's 100 years there are recorded 1,661 baptisms; 1,236 confirmations; 533 weddings; 987 funerals; 740 memberships; 353 church families, and 357 Sunday School pupils. Fifteen men and one woman are serving in the armed forces.

Albert H. Krusemark Jr. is president of the congregation.

Some of the other celebrations scheduled for the centennial are the Centennial banquet at 12:30 p.m. on Oct. 29 and the Centennial celebration at 2:00 p.m. on Oct. 29 also.

New Lenox Youth Wounded In Action

A New Lenox Township youth, now serving with the U.S. Marines in Vietnam, was wounded last week, according to telegrams received by his parents.

Wounded is Lance Corporal George J. Yapp Jr. His parents, Mr. and Mrs. George J. Yapp Sr., reside in New Lenox Township but have a Mokena mailing address. The father is a contractor.

The parents received their first telegram last Friday stating that Corp. Yapp had been struck in the left shoulder with shell fragment and had also received a superficial wound on the left ear. He was reported to be in a station hospital in Danang, in South Vietnam and his condition was described as "fair."

The parents received another telegram Saturday night but it did not reveal any change in his condition and apparently he had not been moved. Mrs. Yapp said Tuesday that she hoped her son was on his way back to the States or would be soon.

A graduate of Lincoln-Way High School in June, 1966, Yapp enlisted in the Marine Corps in July of that year. He was shipped overseas in December and landed in Vietnam shortly after Jan. 1. His 11-month tour of duty in Vietnam will be up about Dec. 1.

He was on patrol near Quan Nam, his parents were told, when he was hit.

He has two brothers and a sister, Bill, Timmy and Terry, at home.

Plan Better Illumination For Streets

The village boards of Mokena and New Lenox are presently negotiating with Commonwealth Edison Company in changing of the street lights in the villages to the mercury-vapor type lights. It is stated the change over would take several months to complete.

If terms are agreed on for the village of Mokena, the lights would be installed on a leased basis with the utility company.

Several years ago Mokena purchased mercury-vapor type lights which were installed in the business section of main street and have proved very satisfactorily. The new lighting units would not include changing the present vapor lights.

Frazer Family Reunion Held At Homer Town Hall

MRS. VIRGINIA SASS
Telephone: 485-6424

The fifth annual reunion of the descendants of James Gager Frazer was held at the Homer Town Hall on the afternoon of Oct. 1. In addition to the local people, relatives were present from Sheldon, Wisconsin; Springfield, East Moline, Berwyn, Plattville, Minooka, Frankfort, and Manhattan.

The president revealed that research during the past year has carried the names of known ancestors of James Gager in at least three instances to dates prior to 1700. This means that the babies of the present generation are able to list their Frazer ancestors back for at least 10 generations.

Research is being continued and it is hoped that in another year more gaps may be filled in the family history. Contact during the past year has been re-established with the Andrew Frazer family of Owosso-Corunna, Michigan, whose existence was unknown before. Andrew was the youngest son of James Gager. Definitely proof was also reported of the names of at least two of the Frazer ancestors who served in the Revolutionary War. Efforts are also being made to re-establish contact with other lost members of the family and it is hoped that by another year, more definite results can be reported.

Officers elected were James Frazer, president; Doris Husing and Georgiana Otto, co-vice presidents; and Mildred Reeves, secretary-treasurer. Dorothy Francis

was continued as chairman of the committee to bring the family history up to date from the fourth generation beyond James Gager to now.

The Marley Missionary Society will meet at the Marley Community Church on Oct. 18, at 1:30 p.m. The hostesses will be Mrs. Clayton Cleveland, Mrs. Everett Bell and Mrs. Alphonse Kohl. The program, "Our Neighbors - Migrant Workers", will be presented by Mrs. John Scott.

Mrs. Frank Spiecker of Franklin Park, is a guest in the home of Mr. and Mrs. Everett Bell.

James Hull has resumed his studies at Rose Polytechnical University at Terre Haute, Ind. after spending the summer in the home of his grandfather, James D. Frazer.

L-W Offers Variety Of Business Courses

The business courses offered at Lincoln-Way will aid all students to be economical literate citizens, to stimulate students with average or above average ability to become owners and operators of small businesses, and to provide a solid background for those students who go on to college to major in business in some form or other.

Available positions for well-qualified persons with stenographic and typing skills have consistently exceeded the supply. Students who plan to go into office work are given a comprehensive program in shorthand, typewriting, and business machines, not to mention business law, bookkeeping, and business communications. Students are trained one up-to-date equipment. Students enrolled in the business machines course have an opportunity to work on ten-key and full-key adding machines, rotary, printing, and key-driven calculators, IBM transcribers, IBM key punch, ink and liquid duplicators.

Lincoln-Way is one of the few schools in the area to offer the second year of bookkeeping. Students are taught on a seminar basis and work at their own rate. People enrolled in this course will be qualified to accept employment in bookkeeping or accounting. Stu-

dents going on in college accounting will have more training than most of their peers. This will naturally put them in an advantageous position. There are a sufficient number of practice sets used so that students receive training which is commensurate with on-the-job training. In the bookkeeping room are found adding machines and a bookkeeping machine.

Team teaching is used in the Introduction to Business course. This course is taught to freshmen and sophomores. Many projects and activities are carried out throughout the year. This course gives students the necessary background to derive maximum benefits from other more specialized courses offered in the business curriculum.

At the present time typewriting is one of the most popular subjects for both the student who is planning to use it on the job and for the student who wants it for personal use or for college. This year there are five sections of Typewriting I, two sections of Typewriting II, and one section of Basic Typewriting. The Typing I classroom has 45 stations with manual typewriters. Typing II is taught on electric typewriters. Basic Typing is a one semester course designed for

college-bound students. This course is followed the second semester with Gregg Notehand. It is hoped that this course will aid the student who goes to college to understand and organize ideas he hears, reads, or creates himself, in a system of writing faster than long-hand.

Business law is not only a course that is valuable for vocational use but for personal use as well. Students should understand the concept of contract in maintaining their households and in conducting matters of personal business. This course has become a popular one in the business curriculum. Several girls who graduated last year are now working in law offices.

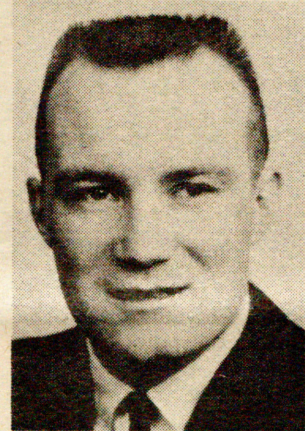

Several students are employed in the work-study program, which was made possible by the Vocational Act of 1963. These students work for various departments after school and on Saturday mornings and receive pay. Also, students work at school during the summer.

The Future Business Leaders of America club has been a very active organization. This club invites outside speakers to come and tell them about opportunities in business, how to prepare for a job interview, etc. They attend the state convention at Springfield and work on money raising projects.

The business department offers evening courses, beginning or refresher, to the people in the communities.

The business department has four beginning teachers this year under the chairmanship of Paul M. Thomas. They are Miss Sheila Gorman, Michael Kelly, Martin McLaughlin, and Lowell White.

One teacher coordinator from a state university said he felt that the business department at Lincoln-Way was the outstanding cooperative school. This, along with other remarks expressed by visitors from the State of Illinois and other schools and universities makes the business department very proud of its facilities and curriculum.

WILLIAM F. SETTLES, well known world traveler, writer, lecturer, and educator, will be the new dean at Carl Sandburg High School and will also serve as the chairman of the Social Science Dept. for 1967-68.

Hot Lunch Program Finds Favor In Mokena School

Hot lunches at school are a reality in Mokena. For the month of September an average of 390 students per day have eaten the lunches provided at school.

Probably no other phase of public school work has come so far and so fast in public esteem as the lunch program, school officials say. No longer is it just furnishing a meal to school children but has become an integral part of the school activities. The development of healthy bodies is now recognized as essential to the growth of healthy minds and social attributes.

School lunch has its place in a nutrition education program. Thru education, establishment of good habits of food selection may be obtained. This is accomplished most effectively by making available the needed foods, to have them prepared and served in an attractive manner, it was pointed out.

According to National School Lunch Program statistics, there were 3,527 participating schools in Illinois last year, serving

623,919 students. Mokena now joins this program.

An attempt to hold the line on prices is being made. At present the lunch price is 35 cents per meal. The federal commodity donated food affects plate cost dramatically, it was said. The September delivery included frozen orange juice, canned chopped meat, cheese, honey, butter, ground beef, turkey, flour, corn meal,

beans and lard.

A typical meal that was actually served one day last week included: Pork and gravy, mashed potatoes, sliced tomatoes, pears, bread and butter, milk.

Parents are being encouraged to visit the program and have lunch at school. The school should be notified in advance however, to allow for enough food to be prepared.

Two New Den Mothers Are Welcomed To Pack #237

MRS. EMIL WILLE
Telephone: 469-5277
Cub Scout Pack #237 held their meeting on Friday evening Sept. 29, at St. Anthony's church. We were very happy to see everyone again as this was our first meeting after the summer vacation. We sincerely hope everyone will come to all of our pack meetings in the months to come. We wish to welcome two new den mothers. They are Mrs. Earl Piepenbrink who is taking den #3 and Mrs. Jack McCarter who will have den #1. We also wish to welcome the following new boys to the pack. They are Wendell Wilson, Ty Iles, Jim Joyce, John Bluth and Mike Cabel.

In the absence of the Scoutmaster Mr. Lee Gericke, Mr. Ralph Bidne, the committee chairman assisted by Mr. Robert White, the neighborhood commissioner and Mr. Roy Robertson, the Institute representative made the following awards; Keith Piepenbrink, James R. Smith, Ricky McCarter, David Rucker and Roger Cooper

JANET GEUTHER, daughter of Mr. and Mrs. Robert O. Geuther, 19733 Mokena St., Mokena, has received a full scholarship to do Graduate study in social work at Denver University, Denver, Colo. She was graduated from Valparaiso, Ind., with a BA degree and was employed during the summer as a social worker at the Lutheran Home for the Aged in Arlington Heights, Ill.

received Bobcat pins. Kent Coburn received his Bear badge and one gold and three silver arrows in the bear rank. James Rucker one silver arrow in the bear rank. Robert McCarter, Dwight Bryant and Don Bushen received their two year service stars. Thank you certificates were given to Mrs. Calmer Oas and Mrs. Robert White. Mrs. Oas has left the pack and after three years of being a regular full time den mother, Mrs. White has resigned as a regular, but will be available as a substitute. The opening was presented by den #3, Den #5 presented the games and songs under the direction of Mrs. Den #2 with Mrs. Roy Robertson gave the skit. We also wish to thank Mr. Ralph Bidne and Mr. Bill Lovelock for starting the new Webelos den. The parent attendance trophy was won by den #2. Our pack meetings will be held the last Friday of every month at St. Anthony's church at 7:30 p.m. The cub scouts have made a change during the summer. Instead of 8 year olds now it is any boy in the third grade. Refreshments were served by the Webelos den. Hope to see you next month.

On Saturday, Sept. 20, 35 boys and 5 adults attended

the White Sox - Washington Senators ball game. Our deepest appreciation to the following men who went with the boys. They were Mr. Ralph Bidne, Glenn Coburn, Glenn Stanley, Robert White and Jim Wilson. These men gave up some important plans of their own at the last minute so that the boys could go. Without the thoughtfulness of these men, there would have been 35 very sad boys in the neighborhood.

New Volumes To Be Bought From Public Library Sale

MRS. KATHERINE HEISNER
Telephone: 469-5187

The Frankfort Public Library is having a book sale of all old or duplicate volumes from the collection. All titles with rare exceptions are priced at 10 cents. These may be purchased on a first come first served basis at the library on Wednesdays, 3 - 9, Thursdays, 3 - 6, and Saturdays, 10 - 2. This is a good chance to build your own personal library.

The library board has recently adopted its book selection policy and many of the items included will be of public interest. Books will be selected for purchase with two considerations; first to build a collection of the most significant literary endeavors in fiction and reference, and second to meet the specific demands of the patrons. This means that we will try to purchase the books you request even if your interest or hobby is not generally popular, and that we will have available such books as the Carol Keene mysteries for children and titles such as "Valley of the Dolls" for adults even though these may not be critically recommended.

Another portion of the book selection policy states that we will not censor or label

controversial books and will have them available to all patrons. This means that it is the responsibility of parents to determine the maturity level of minors.

We are in the process of purchasing books now and are building up an adult collection. Remember these are your tax dollars we are spending and we would like to see even more adults taking advantage of our services. As new books arrive we will have reviews in this paper so that you will know what is available.

Open Letter from the HIRSCHS'

Dear friends,

The family of the deceased, in selecting a casket, should be guided by a realistic consideration of their living standard and financial circumstances.

The casket serves the dual purpose of protecting the mortal remains of the deceased and as the focal point of the final memory of the funeral service.

One's desire to honor the dead should be kept in proper perspective with the financial status of the surviving family.

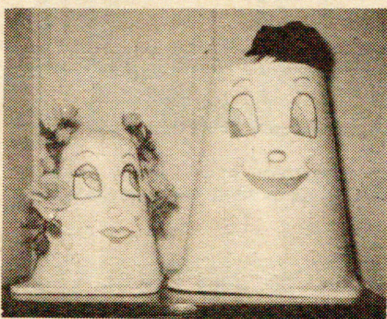

Respectfully,

Carl Hirsch

Permanent-press? Keep it in shape with the gentle, radiant heat of a modern electric dryer.

Fabulous fabrics. Wash-and-wear. Permanent-press. That's the way styles shape up today.

But if you're going to wear the latest, shouldn't you have the most modern kind of clothes-dryer, too? One that's equipped to handle even the newest wrinkle in fashion?

You bet. And that one's the *electric* dryer.

Electric dryers surround clothes with gentle, radiant heat—the same kind you

get from the sun. Except that *you* control it, to get the amount of heat you need. No hot spots, no harsh overdrying, no fumes, no grayed whites or faded colors.

Best of all, electric dryers are designed to dry at the temperature manufacturers recommend for best results with wash-and-wear and permanent-press.

So whatever shape your laundry's in, keep it that way—electrically.

ARTY LOOKING, isn't it? Actually it is a garage door in Orland Park Hills, streaked and blackened by hydrogen sulphide fumes from the Chicago Sanitary District's treatment plant and lagoon nearby. Just turn your imagination loose and it is easy to think you are looking thru diamond shaped windows across an inland lake. See those trees reflected in the water? Of course, if it were your garage door it would just be a dirty mess.

Fall Infants Wear Has New-Old Look

An old-fashioned look -- not old-fashioned styling, but a return to the "real baby" -- is one of two new looks for infants this season according to Mrs. Bea Bagby, Will County Extension Adviser. The other side of the coin is the "tiny Twiggy" theme, from harem pants to A-line shifts.

Shoppers will find multi-colored and patterned pique outerwear, and the very new knitted pile parkas have made their debut in infant sizes for both boys and girls. Favorite coordinates include matching high-color, lined pile leggings or double-knit stretch pants.

Mrs. Bagby says that the big news in outerwear is the knit snowsuit -- like the ones grandma used to knit years ago. These are available from domestic manufacturers in easy-to-laundry, hi-bulk Orions as well as in new, new machine-washable wool knits from Europe.

Along with standard pastels and white, infants' fall fashions come in sudsable bright sun colors, deep earth tones, and such off-beat shades as olive and surf green. And patterns are everywhere -- from jungle and heraldic prints to broader and brighter stripes.

Infants' wear is no longer just covering. It's high fashion -- easier to wear and care for than ever before.

Burro's Football Fund Drive Set For Saturday

Telephone: 479-9231
The Mokena Burro's football team were spurred on by their mascot "Gracie", as they beat one of the foremost teams in the Kankakee Valley League, The Azza-relli Colts, on Sunday, Oct. 8, with a score of 2 out of 3.

The Pee-Wees opened up with a 33-13 win for the home town folks. In the 100 lb. game, the Burro's played well enough to win, but had one lapse on the second half kick-off and allowed the Colts to score. That final was 6-0.

The heavy-weight team played a well balanced and strong colt team. The Colts relied on power plays unlike the Burro's. The Burro's won the heavyweight game 25-13. This Saturday morning, the Burro's will conduct their annual fund drive by passing their helmets to people at places of business in town. Your support is needed. The lightweight team plays Sunday afternoon at Mokena Park against a team from Chicago, the Oriole Park team.

Fireman Dale W. Schoen, USN, son of Mr. and Mrs. Walter H. Schoen, 124 Maple St., and husband of the former Miss Lora J. Elias, Mokena, has returned to San Diego, Calif. aboard the attack transport USS Montrose.

Army Pvt. Dale W. Mancke, son of Mr. and Mrs. Warren Mancke, 189th & Wolf Rd., completed nine weeks of advanced infantry training, Sept. 29, at Ft. Polk, La. His last week of train-

ing was spent in Guerilla warfare exercises.

Mr. and Mrs. James Hearn attended the 18th Annual Convention of the Independent Accountants' Assoc. of Illinois in Kankakee on Sept. 28.

The Mokena Couple's Bridge Club met Sept. 24 at the Prestwick Country Club. Co-hosts were Edward and Corrine Mazurek and Bill and Toot Muehler. Prize winners were Aldine Anderson, Bill Muehler, Trish Marcoux, George Helgerson, and Eleanor Brownlee.

The Mokena Evening Bells will be hostesses to the Manhattanettes Lincoln Lassies, and Cherry Knoll at a combined meeting scheduled for Oct. 16, at 7:30 p.m. at Francis 4-H Field. "Light Your Home Effectively", will be the theme presented by Mrs. Beatrice Bagby. She is the Extension Advisor, Home Economics for the Will County Homemakers Extension Assoc. All members are urged to attend and guests are welcome.

The Mokena Cadette girl scout troop #97 will have its meetings on Tuesday evening from 7:00 to 8:45 p.m., at the Methodist Church. All girls in the 7, 8, and 9 grades interested are invited to join. For further information, call 479-9475.

If you would like to see where your girl scout cookie money goes, visit the open house at Camp Pokanoka, near Ottawa on Oct. 15, from 2-5 p.m. In case of rain, it will be held on Oct. 22, same hours. The public is

invited, and refreshments will be served. This camp has been from proceeds of Girl Scouts Cookie Sale in Trailway Council.

"Shouldn't you subscribe to the PTA Magazine?" Over 115 families in Mokena have and some 65 persons enjoyed a free luncheon on Oct. 5, at Carpenter St. school. Mrs. John Ryan, Mrs. August Kershaw, and Mrs. George Kureger were in charge of the lunch with the PTA Exec. committee furnishing the food. If you are interested in a subscription, you may contact the magazine committee, Mrs. Robert DeForest, and Mrs. James Ennis, the fee is \$2.00 per year.

Notices were sent out last week Friday for the three day special at-school enrollment in the school competition. The room with the highest percentage of Teacher-Parent memberships from Sept. 20 to Oct. 11 will have

a party the following day. The room with the most PT members by Nov. 1, will receive recognition during National Book Week when the parents visit school. For membership, send \$1.00 to Mrs. Paul Yarbrough or Mrs. Frank Doyle, co-chairman for the committee.

PTA Executive Committee Meeting will be Wednesday, Oct. 18, at 8 p.m. at Willowcrest School.

The regular monthly meeting of St. John's Women's Fellowship will be held tonight at 7:30 in the church parlors. The devotions will be lead by Mrs. Amy Englehardt. She will also give a review from the Ring of Truth. Projects for the month of Oct. for the fellowship include a PMA dinner on Oct. 26 and a gathering of warm clothing for the entire month of Oct.

The annual Fall Festival

is being given by the women of Immanuel Lutheran Church, LaPorte Rd., on Wednesday, Oct. 18 from 7 to 9 p.m., and 10:00 a.m. to 2:00 p.m. on Thursday, Oct. 19. On Sept. 28, Mrs. Robert Mackey, president of the Mokena Women's Club, Mrs. Francis Doyle, delegate, and Mrs. Franklin Weber, district conservation chairman attended the 11th District Meeting of the Illinois Federation of Women's Clubs at McHenry, Ill.

Various Division Chairman reported on the goals of the Illinois Federation for the year and told what the individual clubs should be doing.

Recently the Club filled six green denim bags for

"Project Shop Early" for the American Red Cross of Will County. These bags were filled with such personal items as mirrors, cards, nail clippers, lighters, soap dishes, tooth brushes and holders, paperback books, pocket games, iced tea, plastic bags and other take-if-for-granted items.

The Club divided into six teams headed by Mrs. Thomas Deeb, Mrs. Robert Snyder, Mrs. Robert Nixon, Mrs. Berle Needham, Mrs. James Ennis, and Mrs. Raymond Westlund.

These bags will be shipped by the Red Cross by the middle of October to ensure the men from Will County serving in VietNam receiving them by Christmas.

Today, in St. Mary's School gym, at 8 p.m., the Altar Rosary Society will sponsor the annual nuns shower. The hostesses will be the women from Arbury Hills and Rolling Heights.
